Survival

Joe Jackson

Take what you want
But just what you need
For survivalTake what you want
Just what you need
For survival, survivalLife's a bitch and then you die
Nothing you can do about it
Anything you steal or buy
You're gonna be leaving here without itSo take what you want
But just what you need
For survival, survivalTake what you want
Just what you need
For survival, survivalTake what you want
But just what you need
For survival, survival, survival
