Stella Was a Diver and She Was Always Down

Interpol

Advisory - the following lyrics contain explicit language:

When she walks down the street
She knows there's people watching
The building fronts are just fronts
To hide the people watching herShe once fell through the street
Down a manhole in that bad way
The underground drip
Was just like her scuba daysDays
Daze
Days
Daze
DaysShe was all right 'cause the sea was so airtight, she broke away
She was all right 'cause the sea was so airtight, she broke away
She was all right but she can't come out tonight, she broke away
She was all right 'cause the sea was so tight, air-tightShe broke away, broke away
She broke away, broke away
She broke away, broke away
She broke awayAt the bottom of the ocean she dwells
At the bottom of the ocean she dwells
From crevices caressed by fingers
And fat blue serpent swellsStella, Stella, oh Stella
Stella I love you
Stella I love you
Stella I love youShe was all right 'cause the sea was so airtight, she broke away
She was all right 'cause the sea was so airtight, she broke away
She was all right but she can't come out tonight, she broke away
She was all right yeah the sea was so tight, air-tightShe broke away, broke away
She broke away, broke away
She broke away, broke away
She broke awayWell, she was my catatonic sex toy, love-joy diver
Well, she was my catatonic sex toy, love-joy diver
She went down down down there into the sea
Yeah she went down down down there, down there for me, right onOh yeah, right on

So good, oh yeah, right on
So good, oh yeahThere's something that's invisible
There's some things you can't hide
Try to detect you when I'm sleeping
In a wave you say goodbyeThere's something that's invisible
There's some things you can't hide
Try to detect you when I'm sleeping
In a wave you say goodbye
