

# Wonderful World

Terence Trent D'arby

Don't know much about history  
Don't know much biology  
Don't know much about science books  
Don't know much about the french I took  
But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be

Don't know much about geography  
Don't know much trigonometry  
Don't know much about algebra  
Don't know what a slide rule is for  
But I know that one and one is two  
And if this one can be with you  
What a wonderful world this would be

Now I don't claim to be an A student  
But I'm tryin' to be  
I'm thinkin' maybe by being an A student, baby  
I can win your love for me

Don't know much about the middle ages  
Look at the pictures, I just turn the pages  
Don't know much about the rise and fall  
Don't know much about nothing at all  
But girl it's you that I've been dreaming of  
And if I could only win your love, maybe  
What a wonderful world this would be

I'm thinkin' maybe by being an A student, baby  
I can win your love, oh baby

Don't know much about history  
Don't know much biology  
Don't know much about science books  
Don't know much about the french I took  
But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be
