

# Soothe Me

## Shirley Horn

Soothe me baby, soothe me  
Soothe me with your kindness  
For you know that you powerful lovin' is soothing to me  
Soothin' to me

Soothe me baby, soothe me  
Soothe me with your kindness  
You know your powerful loving is  
Soothing to me

Listen Jerry, I used to have a lot of girls  
I had 'em big and small  
But since I met that woman of mine  
I don't need no other girl at all

Soothe me baby, soothe me  
Soothe me with your kindness  
For you know that your powerful lovin' is  
Soothing to me

Lord, I did at lot of gambling  
I drink liquor and stay out all night long  
But ever since I met that woman of mine  
I keep around at home

Soothe me baby, soothe me  
Soothe me with your kindness  
For you know that your powerful lovin' is  
Soothing to me

Soothe me baby, soothe me  
Soothe me with you kindness  
For you know that your powerful loving is  
Soothing to me

Soothe me baby, soothe me  
Soothe me with you kindness  
For you know that your powerful loving is  
Soothing to me
