

# This Love of Mine

[Frank Sinatra](#)

This love of mine goes on and on  
Though life is empty since you have gone  
You're always on my mind though out of sight  
It's lonesome through the day, and oh, the night  
I cry my heart out, it's bound to break  
Since nothing matters, let it break  
I ask the sun and the moon, the stars that shine  
What's to become of it, this love of mine?  
I cry my heart out, it's bound to break  
Since nothing matters, let it break  
I ask the sun and the moon, the stars that shine  
What's to become of it, this love of mine?  
This love of mine goes on
