One Step Away (Music Video)

Unearth

One life, one chance, one time.
One life to see it all.
One shot at tomorrow.
You will never see this time again.A belief that time is cruelty.
Happiness is just one step away.
This life will never falter.
Determinated that time will never fall.This way will never fail me.
I will testify.
I swear that I can see the light.
It's born.It will be forever.
A personal basking thrown.
Life can give us.
Walk the line, break the walls.
