

Gotta Broken Heart Again

Prince

I've gotta broken heart again
'Cause we're only supposed to be friends
You see, he stole my old lady away from me
And now I'm just as blue as I can be
I've gotta broken heart again
'Cause I ain't got no money to spend
You see, I spend it all on long-distance phone calls
Begging her to please come home, yeah, yeah
Ah, yeah It doesn't matter what I do
I can't stop, ah, thinking about you
The little things you said
The things you do to me in bed
Oh, baby, I can't get you outta my head
Oh, oh, gotta broken heart again, yeah
This time it's serious
It feels just like the end
'Cause once your love has gone away
There ain't nothing, nothing left to say
