Torn Between Two Lovers

WILDBERRIES

There are times when a woman has to say what's on her mind
Even though she knows how much it's gonna hurt
Before I say another word let me tell you I love you
Let me hold you close and say these words as gently as I can

There's been another man that I've needed and I've loved
But that doesn't mean I love you less
And he knows you can't possess me and he knows he never will
There's just this empty place inside of me that only he can fill

[Chorus]

Torn between two lovers, feeling like a fool
Loving both of you is breaking all the rules
Torn between two lovers, feeling like a fool
Loving you both is breaking all the rules

You mustn't think you've failed me just because there's someone else
You were the first real love I ever had
And all the things I ever said, I swear they still are true
For no one else can have the part of me I gave to you

I couldn't really blame you if you turned and walked away
But with everything I feel inside, I'm asking you to stay

Torn between two lovers
Feeling like a fool
Loving both of you is breaking all the rules
