Nothing Can Stop Us Now - Christian Bautista

Soft as a rainbow  
Like stardust and moonglow  
I see the love in your eyes  
Like autumn leaves falling  
And the first call of morning  
It came to my surprise  
True love calls just once in a lifetime  
Why should we wait  
When now is the right time?  
Nothing can stop this love we're making  
Nothing can stand in our way  
Nothing can block this road we've taken  
Nothing can stop us now  
The joy of surrender  
So strong yet so tender  
I give my heart to you

You know you can trust me  
And that's how it must be  
No matter what we do  
Faithful friends and lovers forever  
Right to the end we'll always be together  
Nothing can stop this love we're making  
Nothing can stand in our way  
Nothing can block this road we've taken  
Nothing can stop us now  
When love comes sweetly to your door  
Embrace completely  
What your soul is longing for  
Nothing can stop this love we're making  
Nothing can stand in our way  
Nothing can block this road we've taken  
Nothing can stop us now  
Nothing can stop us now
