Shine

Patty Smyth

Now why did you tell me
That you won't see me no more
I say baby, baby, baby do you
Wanna watch me crawl across the floor'Cause anyone can learn to pull the trigger
Anyone can break a heart in two
It's so easy for youBut if there's love in your heart
Just let it shine, shine, shine
Let it shine, shine, shine
Let it shine, shine, shine
All over me, yeah, oh yeahOne day you'll turn around
When all your friends are gone, oh
You'll be sorry boy
But sorry won't keep you warm, noSo darling hold me now my heart is hungry
All I need is a taste of you
Let love pull us throughAnd like a light in the dark
Just let it shine, shine, shine
Let it shine, shine, shine
Let it shine, shine, shine
Shine, shine, shineAnd all of your days, baby
All of your nights
I'll make you shimmer with love
A brilliant sacrificeAin't nobody out there
Gonna love you this way
So come build me a fire
Do you hear what I sayYeah, yeah, yeah, yeah
Oh, yeahJust let it shine, shine, shine
I wanna feel it shine, shine, shine
I wanna see it shine, shine, shine
All over meAnd I wanna feel your love for me
And I wanna touch your love for me
And I wanna see your love for me
Yeah, yeah, yeahAnd all of your days baby
And all of your nights
I'll make you shimmer with love
A brilliant sacrifice
Shine, shineAnyone can learn to pull the trigger
And anyone can break a heart in two
You know it's just too easy
