

# Suddenly There's a Valley

[Jo Stafford](#)

When you've climbed the highest mountain  
When a cloud holds the sunshine in  
Suddenly there's a valley  
Where the earth knows peace with men  
When a star hides the distant rainbow  
And you think you can't find a friend  
Suddenly there's a valley  
Where friendships never end  
Touched only by the season  
Swept clean by the raving rain  
Surveyed by every bluebird  
And kissed by the falling rain  
When you think there's no bright tomorrow  
And you feel you can't try again  
Suddenly there's a valley  
Where hope and love begin  
Suddenly there's a valley  
Where hope and love begin
