Anybody Out There?

Lawson

When the night comes,
it?s cold, and it rains.
With the lights on,
it?s warm, and i?m brave.
Can you feel it? Can you feel it?
Can you feel my heart?
Can you feel it? Can you feel it?
Can you feel my heart?

Oh, is there anybody out there?
Anybody you can call?
You saved me, you take me home.

There?s a fever,
in the night, and it rains on me.
There?s and answer,
in your eyes,and it?s all i need.
Can you feel it? Can you feel it?
Can you feel my heart?
Can you feel it? Can you feel it?
Can you feel my heart?

Oh, is there anybody out there?
Anybody you can call?
You saved me, you take me home.

Can you feel my pain?
Feel my, can you feel my pain?
Feel my..

Yeah, is there anybody out there?
Anybody you can call?
You saved me, you take me home.
Oh, is there anybody out there?
Anybody you can call?
Will you save me, will you take me home?

Oh, oh, oh
Oh, oh, oh
