

Ain't Like You (Wasted Youth)

Blood for Blood

I ain't like you
And I don't want your love
And I don't need your respect
I just can't hate enough
But I got no tears or regrets
And I don't want your love
I ain't like you
And I don't need your respect
Fuck you
I just can't hate enough
I ain't like you
I ain't like you
I will never live like you
And you will never
Walk the path I do
And I will never live like you
I'll never be a part of society's lies and bullshit
I will never live like you
I will never walk the path you do
I am your wasted youth
So, fuck you and society too cuz
My kind just ain't like you
