Day Your Luck Runs Out

Ingram Hill

Bout that time again
Strange feelin in the wind
Standin in this place
Starin face to face
But we don't see eye to eye
Somehow all the blame is mine
You're doin nothin wrong
You say all your trust is gone

Yeah you gotta tell me what you want cause I can't see through your mind
Oh you gotta hit me with it baby show me what's deep inside

The troubles got me where it wants me
But that won't be enough to end me
I've said it times before, you ain't gonna walk on me no more
You really don't know how to treat me
You're lucky you still hung onto me
But next time your luck runs out, and that's the day I'm walkin out your door

I'm beggin baby please
You must believe in me
Hear too many lies
Don't know which way to side
But I tell you I'm the truth
There's a chance for me and you
But you've got to close your eyes
And leave this far behind
