

Puff She Puff

Black Uhuru

Puff she puff no bother puff
 'pon Rasta
Tough she tough no bother
 puff 'pon Rasta
 Puff she puff
no bother puff 'pon Rasta Making love on hungry belly
 I couldn't cope too long
 With my bare long hands
I am embarrassed most the time
 But it's not no crime
 Children crying day and night
can't find mummy A puff she puff no bother
puff 'pon Rasta she puff she puff
 She just a puff 'pon Rasta
 She say rude
Tough she tough hard she hard
 A no soft she soft
 Puff she puff
 She just a puff 'pon Rasta
 Enough she 'nough you
kinna 'nough 'pon Rasta Money I Can hardly find
 And white scrawl a bite
Simple things are so serious
 In these time
 The things that you do and
upset some day and regret Tough tough tough she tough
 A puff she puff
 No bother puff 'pon Rasta
 Puffy puff
 Claim she tough
 She just a puff she just a
puff 'pon Rasta Many a times when I check
 my life style
 A been a living in another
 foot step of another man
I no man man a failure She just a puff
 She just a puff 'pon Rasta
 She puffy puff
 She claims she tough she

just a Chuck
No bother chuck 'pon RastaMan find himself doing all
manner of evil
I and I a ion's So no bother come gwaan
