

Ripples

Genesis

Blue girls come in every size
Some are wise and some otherwise
They got pretty blue eyes
For an hour a man may change
For an hour her face looks strange
Looks strange, looks strange Marching to the promised land
Where the honey flows
And takes you by the hand
Pulls you down on your knees While you're down a pool appears
The face in the water looks up
And she shakes her head as if to say
That it's the last time you'll look like today Sail away, away
Ripples never come back
Gone to the other side
Sail away, away The face that launched a thousand ships
Is sinking fast, that happens you know
The water gets below, seems not very long ago
Lovelier she was than any that I know Angels never know it's time
To close the book
And gracefully decline
The song has found a tale My, what a jealous pool is she
The face in the water looks up
She shakes her head as if to say
That the blue girls have all gone away Sail away, away
Ripples never come back
They've gone to the other side Look into the pool, ripples never come back
Dive to the bottom and go to the top
To see where they have gone
They've gone to the other side Sail away, away
Ripples never come back
Gone to the other side Look into the pool, the ripples never come back, come back
Dive to the bottom and go to the top
To see where they have gone
They've gone to the other side Ripples never come back
Sail away, away
Sail away, away
Ripples never come back
