

# Oh Zion

## Fred Hammond & Radical for Christ

Oh Zion, put on thy strength  
For the glory of the Lord  
Is hidden within thee Oh Zion, put on thy strength  
Be fortified, arise and conquer  
Oh Zion Saints of the most high  
It's time for us to stand on  
The covenant that our God has made  
Oh Zion That He is faithful  
And always by our side  
So there's no reason to be dismayed  
Oh Zion  
So be courageous  
And not of a fearful heart  
As an army we are able to stand  
Oh Zion Too long we've waited  
Let us hesitate no more  
Let us march right in  
And possess the land Oh Zion, put on thy strength  
For the glory of the Lord  
Is hidden within thee Oh Zion, put on thy strength  
Be fortified, arise and conquer  
Oh Zion We are His people  
Better known as the blessed of God  
And our minds sometimes we must elevate  
Oh Zion  
We can do all things  
So there's no room for fear and doubt  
Let us take a stand, it's no time to faint, no time  
Oh Zion Oh Zion arise with the armor of the Lord  
Let us fight for this is our finest hour, yeah  
Oh Zion Oh Zion, put on thy strength  
For the glory of the Lord  
Is hidden within thee Oh Zion, put on thy strength  
Be fortified, arise and conquer  
Oh Zion Armed in the Spirit and believing His holy sword  
Let us march and take the city with power
