

Here I Stand and Face the Rain (Demo)

[a-ha](#)

Help me, I need your love
Don't walk away
The dark scares me so
We're nothing apart
Let's stay friends forever
ForeverHere I stand and face the rain
I know that nothing's gonna be the same again
I fear for what tomorrow bringsTrust me for whom I am
Place all your faith
Into these hands
I got nothing to say
But let's stay friends forever
ForeverHere I stand and face the rain
I know that nothing's gonna be the same again
I fear for what tomorrow bringsHere I stand and face the rain (Here I stand and face the rain)
I know that nothing's gonna be the same againHere I stand and face the rain (Here I stand and face the rain)
Knowing nothing's gonna be the same again
Again
