

# Don't Like Goodbyes

**Tony Bennett**

Its not easy, its never been easy  
To let anyone, see the sentimental side of me  
Hard as I try, I cant help but show  
Its my heart youre taking when you go Dont like goodbyes, tears or sighs  
Im not too good at leavin' time  
I got no taste for grievin' time  
Oh, no, no, no, not me When it's farewell time, why can't I tell time?  
Please take your time, don't go so fast  
Slow down and make the moments last  
As long as can be
