Come on!  
Come on!  
Come on!  
Come on!Prayin' for the good times  
So'long to the bad times  
Baby are you ready  
Here we goTurn you up  
There's no limit  
As long as you're in it  
Give it all you gotJust let it show  
Are you in for the fast ride  
I'll take you out on the wildside  
Are you in for the fast rideLivin' life on the faultline  
Are you in for the fast ride  
I'll take you out on the wildside  
Are you in for the fast rideDo it, do it ! You can do it  
Never ever never ever surrender  
Let all you dreams come true  
Never ever never ever surrenderWe will make it through  
Never ever never ever surrender  
If you want it too  
It's all up to youDon't ever surrender  
Oh yeah  
Never surrender  
You've got the powerIt's yours to devour  
Go where you have never been before  
Never stop when you're winning  
It's only beginningYou don't have to fake it anymore  
Are you in for the fast ride  
I'll take you out on the wildside  
Are you in for the fast rideLivin' life on the faultline  
Are you in for the fast ride  
I'll take you out on the wildside  
Are you in for the fast rideDo it, do it ! You can do it  
Never ever never ever surrender  
Let all you dreams come true  
Never ever never ever surrenderWe will make it through  
Never ever never ever surrender  
If you want it too

It's all up to you Don't ever surrender  
Never surrender  
Never surrender  
Do it, do it  
You can do it Never ever never ever surrender  
Let all your dreams come true  
Never ever never ever surrender  
We will make it through Never ever never ever surrender  
If you want it too  
It's all up to you  
Don't ever surrender You don't have to fake it anymore  
You'll never surrender
