Crawling by Numbers

Lali Puna

You'll be charged a hundred dollars
If you can't pay back the debts
Work your soul and work your lifetime
Without money you can't buy
Can't you see
Six feet underground?
Identify the system
Identify the system
Watch your neighbors
And their big dreams
Silent envy on your face
A life deluxe
It would be easy
What would you give to join the club?
Can't you see
Six feet underground?
Identify the system
Identify the system
