

# Fire And Ice

Enya

You're givin' me the fever tonight  
I don't wanna give in, I'll be playin' with fire  
You forget, I've seen you work before  
Take 'em straight to the top, leave 'em cryin' for more  
I've seen you burn 'em before  
Fire and ice, you come on like a flame  
Then you turn cold shoulder  
Fire and ice, I wanna give you my love  
You'll just take a little piece of my heart  
Please tear it apart  
Movin' in for the kill tonight  
You got every advantage when they put out the lights  
It's not so pretty when it fades away  
'Cause it's just an illusion in this passion play  
I've seen you burn 'em before  
Fire and ice, you come on like a flame  
Then you turn cold shoulder  
Fire and ice, I wanna give you my love  
You'll just take a little piece of my heart  
So you think you got it all figured out  
You're an expert in the field without a doubt  
But I know your methods inside and out  
I won't be taken in by fire and ice  
Fire and ice, you come on like a flame  
Then you turn cold shoulder  
Fire and ice, I wanna give you my love  
You'll just take a little piece of my heart  
You come on like a flame  
Then you turn cold shoulder  
Fire and ice, you come on like a flame  
And you turn cold shoulder  
Fire and ice
