Empty

Amanda Ghost

This shallow need to feel wanted
Worshiped and adored and never be ignored
I give you love but you don't see it
You never understand my world is in your handsAnd I have this thought in my head
And it's about being noticed
I have this thought in my head
And it's about being noticedWe hide away
Somebody stop me feeling empty
We hide away
Somebody stop me feeling emptyYou start this dance but I'm leading
You act out the abused
Bewildered and confused
Tonight I'm yours but I don't feel itYou say it's all a game
But one can only playAnd I have this thought in my head
And it's about being noticed
I have this thought in my head
And it's about being noticedWe hide away
We hide awayWe hide away
Somebody stop me feeling empty
We hide away
Somebody stop me feeling emptyI have this thought in my head
And it's about being noticedWe hide away
Somebody stop me feeling empty
We hide away
Somebody stop me feeling empty
