

My Kind of Girl

Brian McKnight

When I was younger
I never went too far
Held my feelings
I never even wanted to startTill when I met you
I didn't know
What you were gonna do
With my heartWhen you talk
I cling on every word you say
When you move
Like the breeze on a summer dayWhen you smile
The sky turns from gray to blue
That's what you doAnd you're the kind of girl I think of, yeah
And you're the kind of girl I dream about, yeah
My heart is telling me I need you in my world
'Cause you're my kinda lady, you're my kinda girlWhen I'm not with you
Wherever you are
Baby, I'm counting
The moments till I'm back in your armsAll I want is to
Have you here with me
Every night, every dayWhen you talk
cling on every word you say
When you move
Like the breeze on a summer dayWhen you smile
The sky turns from gray to blue
That's what you doAnd you're the kind of girl I think of
And you're the kind of girl I dream about
My heart is telling me I need you in my world
'Cause you're my kinda lady, you're my kinda girlBaby girl, I need you here by my side
And if you're there, everything will be alright
'Cause this is the time for us
Baby, be mineAnd you're the kind of girl I think of
And you're the kind of girl I dream about
My heart is telling me I need you in my world
'Cause you're my kinda lady, you're my kinda girlMy kinda girl
My kinda girl
My kinda girl
My kinda girlMy kinda girl
My kinda girl
My kinda girl, yeah

My kinda girl
