Ignorance

AK-Industry

I?m too far gone
It?s all over now
And you can?t bring me down.
But is won over by ignorance
Do not get won over by ignorance
These pills were meant to hurt you
For today and ever more
If fools were meant to FUCK YOU
Then why do fools fall in love?
I've blown up your walls again
Your lies are all apart of your intellect
These pills were meant to hurt you
For today and ever more
If fools were meant to FUCK YOU
Then why do fools fall in love?
In the story I was told,
Well this was never mentioned,
Must have missed a chapter when,
I was 17 years old,
And there?s nothing left but loss
An unfortunate consequence,
And you?ll burn in hell when you fall again,
These pills were meant to hurt you
For today and ever more
If fools were meant to FUCK YOU
Then why do fools fall in love?
In the story I was told
This was never mentioned,
Must have missed a chapter when,
I was 17 years old,

And there?s nothing left but...
They won't let it go,
When you see them coming,
Please let me know.
They won't let go,
When you see them coming,
Please let me know.
They won't let go,

When you hear them coming,
Please let me know.
They won't let go,
When you hear them coming,
Please let me know.
I?m too far gone
It?s all over
And you can?t bring me down
Don?t say your never gonna leave me
Down
(But Say You're Never Gonna Leave Me)
Don?t say your never gonna leave me
Down
(Do not get won over by ignorance)
Don?t say your never gonna leave me
Down
Don?t say your never gonna leave me
Down
