

# Ignorance

## AK-Industry

I'm too far gone  
It's all over now  
And you can't bring me down.  
But is won over by ignorance  
Do not get won over by ignorance  
These pills were meant to hurt you  
For today and ever more  
If fools were meant to FUCK YOU  
Then why do fools fall in love?  
I've blown up your walls again  
Your lies are all apart of your intellect  
These pills were meant to hurt you  
For today and ever more  
If fools were meant to FUCK YOU  
Then why do fools fall in love?  
In the story I was told,  
Well this was never mentioned,  
Must have missed a chapter when,  
I was 17 years old,  
And there's nothing left but loss  
An unfortunate consequence,  
And you'll burn in hell when you fall again,  
These pills were meant to hurt you  
For today and ever more  
If fools were meant to FUCK YOU  
Then why do fools fall in love?  
In the story I was told  
This was never mentioned,  
Must have missed a chapter when,  
I was 17 years old,  
  
And there's nothing left but...  
They won't let it go,  
When you see them coming,  
Please let me know.  
They won't let go,  
When you see them coming,  
Please let me know.  
They won't let go,

When you hear them coming,  
Please let me know.  
They won't let go,  
When you hear them coming,  
Please let me know.  
I'm too far gone  
It's all over  
And you can't bring me down  
Don't say your never gonna leave me  
Down  
(But Say You're Never Gonna Leave Me)  
Don't say your never gonna leave me  
Down  
(Do not get won over by ignorance)  
Don't say your never gonna leave me  
Down  
Don't say your never gonna leave me  
Down
