

# Worry

## Arthur Beatrice

Living with no hope  
something is off  
and im struggling to cope  
worry in air  
will I always feel this lost  
when im on my own  
im not myselfI thought you be there  
to welcome me home  
suddenly theres nothing  
no one to hold  
nothing to hold  
me up  
without anyone  
to hold on to  
theres nothing you can do  
to hide yourself  
thats when it starts to dawn on you  
that when youre on your own  
you dont know who you are  
did you think you were in charge? x 5  
I think you should know  
when your path is clear  
when you've made it through  
when you've forgotten who you were  
I'll remmeber you x2  
I thought you'd be there  
to welcome me home  
suddenly there's nothing  
no one to hold (I'll remmeber you)  
thought you'd be there (I'll remmeber you)  
suddenly theres nothing  
no one to hold  
me up
