Feelins'

Loretta Lynn & Conway Twitty

Feelin's, just lead us on till we know
Where we're goin'If I told you that I loved you
Could we slip away
Where the lights are low?
And if I put my arms around you
And held you close
Could you tell me no?Well, you know that I'd be lyin'
if I said I was a tryin'
To let you know I'd go
Let love take me
Where we've never been beforeFeelin's, just lead us on till we know
Where we're goin'You don't know how long
I wanted to have you
Where you are right now
With you looking soft and pretty
Ain't no telling where we've foundNow here we are together
Too close for talkin'
I can't tell you no
Yes love take us
Where we've never been beforeFeelin's, just lead us on till we know
Where we're goin'
Feelin's, feelin's
