

# Undecided

## Ella Fitzgerald

First, you say, you do  
And then you don't  
And then you say, you will  
And then you won't You're undecided now  
So what are you gonna do? Now you want to play  
And then it's no  
And when you say, you'll stay  
That's when you go You're undecided now  
So what are you gonna do? I've been sitting on a fence  
And it doesn't make much sense  
'Cause you keep me in suspense  
And you know it Then you promise to return  
When you don't, I really burn  
Well, I guess, I'll never learn  
And I show it If you've got a heart  
And if you're kind  
Then don't keep us apart  
Make up your mind You're undecided now  
So what are you gonna do?
