Back In Time

McBusted

Why does my head hurt, how did I get here
Was it the thirteenth shot or the twelfth beer
Why did I wake up with all my clothes on
On someones kitchen floor this is so wrongOh oh
I guess I must have passed out
Oh oh
I never got her name
Oh oh
I've got to have her number
Somewhere inside of my brainIf I could go back in time, then I would replay last night
She got me losing my mind, wish I could go back in time
Back in time
If I could go back in, if I could go back in, if I could go back in time
Back in timeMaybe I'll spend my whole day on Tinder
Looking to find that face I remember
And then I'll text her and she'll come over
And we'll undo last night on the sofaOh oh
Did anybody see her?
Oh oh
Before she slipped away
Oh oh
Someone could have stopped me making a big mistakeIf I could go back in time, then I would replay last night
She got me losing my mind, wish I could go back in time
Back in time
If I could go back in, if I could go back in, if I could go back in timeIf I could show up from the future
I'd try to make things right
And I would tell me to leave the party and take her back to mine
And if I argued, I'd punch myself out
And I would take my place
And she'd be here right now instead of somewhere else todayIf I could go back in time, then I would replay last night
She got me losing my mind, wish I could go back in time
If I could go back in time, I know that I'd get it right
If I could just press rewind, I know that you would be mine Would be mineIf I could go back in, if I could go back in, if I could go back in time
If I could go back in, if I could go back in, if I could go back in time
If I could go back in, if I could go back in, if I could go back in time
If I could go back in, if I could go back in, if I could go back in time
