Will You Still Love Me? [Single Version]

Chicago

Take me as I am
Put your hand in mine now and forever
Darling here I stand, stand before you now
Deep inside I always knew
It was you, you and me
Two hearts drawn together bound by destiny
It was you and you for me
Every road leads to your door
Every step I take forever moreJust say you'll love me for the rest of your life
I gotta lot of love and I don't want to let go
Will you still love me for the rest of my life?
Cause I can't go on
No, I can't go on
I can't go on
If I'm on my ownTake me as I am
Put your heart in mine, stay with me forever
'cause I am just a man who never understood
I never had a thing to prove
Till there was you
You and me
Then it all came clear so suddenly
How close to you that I want to beJust say you'll love me for the rest of your life
I gotta lot of love and I don't want to let go
Will you still love me for the rest of my life?
Cause I can't go on
No, I can't go on
I can't go on
If I'm on my ownDo you believe a love could run so stong?
Do you believe a love could pass you by?
There was no special one for me
I was the lovely one, you see
But then my heart lost all control
Now you're all that I knowJust say you'll love me for the rest of your life
I gotta lot of love and I don't want to let go
Will you still love me for the rest of my life?
Cause I can't go on
No, I can't go on
I can't go on

If I'm on my own
