

# Change on the Rise

Avi Kaplan

Without the light  
Oh, the darkness comes Hold through the night  
Mmm, the shadows will run Mmm, fend off the enemy  
Sing out the jubilee  
With all the fire we can breathe We're singin' all day  
and you can't tame it  
High tide, low tide, you know  
Night time, mornin' time, and  
We're goin' strong Headed up, down the river  
Oh, Lord, I feel the reveling  
I feel a change on the rise  
What good's a man  
Who's lost his soul Can't take a stand  
Mmm, when his flame's gone cold Mmm, fend off the enemy  
Sing out the jubilee  
With all the fire we can breathe We're singin' all day  
and you can't tame it  
High tide, low tide, you know  
Night time, mornin' time, and  
We're goin' strong Headed up, down the river  
Oh, Lord, I feel the reveling  
I feel a change on the rise I feel a change on the rise  
I feel a change on the rise  
I feel a change on the rise  
I feel a change on the rise We're singin' all day  
and you can't tame it  
High tide, low tide, you know  
Night time, mornin' time, and  
We're goin' strong Headed up, down the river  
Oh, Lord, I feel the reveling  
I feel a change on the rise We're singin' all day  
and you can't tame it  
High tide, low tide, you know  
Night time, mornin' time, and  
We're goin' strong Headed up, down the river  
Oh, Lord, I feel the reveling  
I feel a change on the rise I feel a change on the rise
