

# Adios Motherfucker

## Skullcrack

I can't believe you want me to feel sorry for you  
Playing the victim in everything you do  
Now we just have to cut you loose  
Give you enough rope to tie a noose You think you're just a gift to the world, you're always out to please  
You're only out for yourself, you're a fucking disease Play the 'good guy', and wonder why you're alone  
Hung out to dry, but the fault is your own  
Acting like we owe you something, we owe you nothing Can't say I'm sorry to see you go  
Hasta nunca, amigo  
Behind my back, trying to play me like a sucker  
Adios motherfucker Play the 'good guy', and wonder why you're alone  
Hung out to dry, but the fault is your own  
Not up to your standards, no wonder you're alone  
Can't say I'm sorry to see you go  
Hasta nunca, amigo  
Behind my back, trying to play me like a sucker  
Adios motherfucker
