My Boy

Duffy

I'm his lover not his mother
Why you starin' at each other?
What's your problem?
I'm not his keeper, I'm his teacher
Oh, and it goes deeper
What's your problem?
I can't control these feelings I have inside
I had to let go, let go of my pride
Age is a number, don't steal my thunder
Can't love no other, other, other
You're my boy
Keepin' you inside so they don't see that you're my boy
Keepin' you inside so they don't see that you're my boy
Keepin' you inside so they don't see that you're my boy
My boy, my boy
Where's the blame, where's the shame?
We're just two hearts come together
What's your problem?
He's not a boy, not a toy
He's man enough to understand

What's your problem?
I can't control these feelings I have inside
I had to let go, let go of my prize
Age is a number, don't steal my thunder
I can't love no other, other, other
You're my boy
Keepin' you inside so they don't see that you're my boy
Keepin' you inside so they don't see that you're my boy
Keepin' you inside so they don't see that you're my boy
My boy, my boy
Don't mind tellin' you baby, she says he's my boy
Don't mind tellin' you baby, she says he's my boy
Don't mind tellin' you baby, she says he's my boy
Don't mind tellin' you baby, she says he's my boy
My boy, my boy
Yes, you're my boy
Keepin' you inside so they don't see that you're my boy
Keepin' you inside so they don't see that you're my boy

Keepin' you inside so they don't see that you're my boy
My boy, my boy
