

# Rock Me Baby

Otis Redding

You can rock me, baby  
Baby, rock me all night long  
Rock me, baby, rock me, baby, rock me, babe  
You girl, you can't rock me all night long now  
Just keep on rockin' me, little girl, girl  
Honey, 'til my back ain't got no bone, yeah Roll me, baby  
Roll me like a wagon wheel, now  
Keep on rollin', rollin', rollin' me, baby  
Just like they roll a wagon wheel now, oh my, now, oh my  
Because when you thought you roll, little girl  
Baby, you just don't know how good you make me feel now, oh  
Yeah, play the blues, Steve Oh, hey, have mercy  
Too much soul, yeah  
Yeah, yeah, yeah, don't do it to me  
Don't do it  
Don't do it  
Don't do  
Don't do that  
Roll it, baby, yeah Keep on rocking me, baby, good rockin'  
Baby, rock me, rock me so  
Keep on rockin' me, baby  
Keep rockin' me, keep rockin' me  
Baby, you know how to rock me so now, oh my  
I want you to just keep on rockin' me, babe  
Rock me, babe, rock me  
Till I just can't take it no more, oh my I want you to rock, rock, rock, rock me, babe  
Rock me, babe, rock me, babe  
I want you to keep rockin' me  
You don't know what I want  
I want you to keep rocking me  
Everything I love  
I want you to keep rocking  
Give it, give it, give it to me, baby  
Keep on rocking me
