Kentucky

Billie Joe & Norah

Kentucky
You are the dearest land, outside of Heaven to me
Kentucky
I miss your laurel and your redbud treesWhen I die,
I want to rest upon a graceful mountain so high
For that is
Where God will look for meKentucky
I miss the old folks singing in the silvery moonlight
Kentucky
I miss the hound dogs chasin' ooooonnnI know that
My mother, dad and sweetheart are waiting for me
Kentucky
I will be coming soon
Kentucky
