

As the Rush Comes (Gabriel & Dresden remix)

Motorcycle

Travelin' somewhere, could be anywhere
There's a coldness in the air but I don't care
We drift deeper, life goes on
We drift deeper into the sound
Travelin' somewhere, could be anywhere
There's a coldness in the air here but I don't care
We drift deeper into the sound, life goes on
We drift deeper into the sound, feelin' strong
So bring it on, so bring it on
We drift deeper into the sound, life goes on
We drift deeper into the sound, feelin' strong
So bring it on, so bring it on
Embrace me, surround me as the rush comes
Embrace me, surround me as the rush comes
Oh, embrace me, surround me as the rush comes
Embrace me, surround me as the rush comes
As the rush comes, as the rush comes
As the rush comes, as the rush comes
As the rush comes, as the rush comes
Embrace me, surround me as the rush comes
As the rush comes, as the rush comes
As the rush comes, as the rush comes
Travelin' somewhere, could be anywhere
There's a coldness in the air here but I don't care
We drift deeper into the sound, life goes on
We drift deeper into the sound, feelin' strong
So bring it on, so bring it on
So bring it on, so bring it on
As the rush comes, as the rush comes
As the rush comes, as the rush comes
Embrace me, surround me as the rush comes
Oh, embrace me, surround me as the rush comes
As the rush comes, as the rush comes
As the rush comes, as the rush comes
As the rush comes, as the rush comes
As the rush comes
Travelin' somewhere, could be anywhere
