

# Ain't That Lovin' You Baby

Rod Stewart

Know I love you, baby  
Know I love you, baby  
You know I love you, baby  
You don't even know my name Let me tell you, baby  
I tell you what I would do  
I would rather be a big somebody  
And come home to you Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
You don't even know my name Let me tell you baby  
Though it don't sound true  
If you'd throw me in the ocean, I'd swim to the shore  
And come home to you Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
You don't even know my name, alright Yes, alright, ain't that lovin' you, baby  
Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
You don't even know my name, once more Know I love you, baby  
Know I love you, baby  
You know I love you, baby  
You don't even know my name Let me tell you, baby  
I tell you what I would do  
I would rather be a huge somebody  
And come home to you Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
You don't even know my name Four o'clock in the mornin'  
You come walkin' home  
I ain't got no consolation  
But to ring you on the phone Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
Ain't that lovin' you, baby  
You don't even know my name  
You don't even know my name  
You don't even know my name
