

Place Out On The Ocean

Jamey Johnson

Hanging with the two bit ladies
Soaking up the Florida sun
Ridding in a new Mercedes
Wondering if I ever did anything to have as much fun I hope I'm sane by the time I'm done
Cause its a different horizon
Its a paradise I found that sets me loose
Ain't it the truth
It's a place out on the ocean
It's a mansion with a view
But all that I can think about it is you I been riding down a two lane highway
Pretty much all of my life
Trying to do things my way
Wondering if ill ever get anywhere but where I came from
