

Pushin'

Frank Stallone

Pushin
gettin ready for the fight
pushin
every day and night
Pushin
gettin ready for the fight
pushin
every day and night
Pushin
gettin ready for the fight
pushin
every day and nightOne on one
me and you
got the moves
and i got you
on the night of the fire
its just you and i
theres no where to run
nowhere to hide
in the heat of the night
it when you deny
theres nowhere to run
nowhere to hidePushin
ready
pushin
gettin ready for the fight
Pushin
ready
pushin
gettin ready for the fightNowhere to hide....
ROCKY!!!
ROCKY!!!
ROCKY!!!
ROCKY!!!I got you!
