I'm A Sinner

Madonna

I'm A Sinner lyrics
Madonna
Like the sun, like the light, like the flame
Like the storm I burn through everything
Like a bomb in the night, like a train
Thunder rings through the hills, let it rain
Ah, ooo-woo-ooo-hooo
Ah, woo-oo-hoo-hoo
I'm a sinner, I like it that way
Ah, ooo-woo-ooo-hooo
Ah, woo-oo-hoo-hoo
I'm a sinner, I like it that way
All the boys, all the boys and girls
Wanna be like us tonight
All the boys, all the boys and girls
Have the magic pass tonight
I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
Like a moon with no light of my own
Surfs the sky for a place to call home
I woke up with my hand in the fire
Get my kicks when I'm walking the wire
Ah, ooo-woo-ooo-hooo
Ah, woo-oo-hoo-hoo
I'm a sinner, I like it that way
Ah, ooo-woo-ooo-hooo
Ah, woo-oo-hoo-hoo
I'm a sinner, I like it that way
All the boys, all the boys and girls
Wanna be like us tonight
All the boys, all the boys and girls
Have the magic pass tonight
I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
I'm a sinner, I'm a sinner,

I'm a sinner, I like it that way

I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
I?m a sinner, I'm a sinner,
Praise the Lord and I like it that way
Hail Mary, full of grace
Get down on your knees and pray
Jesus Christ, hanging on the cross
Died for our sins, it's such a loss
Saint Christopher, find my way
I'll be coming home one day
Saint Sebastian, don't you cry
Let those poison arrows fly
Saint Anthony, lost and found
Thomas Aquinas, stand your ground
All those saints and holy men
Catch me before I sin again
Oooh-ooo-woo-hoo
Oooh-ooo-woo-hoo
I'm a sinner, I like it that way
Oooh-ooo-woo-hoo
Oooh-ooo-woo-hoo
I'm a sinner, I like it that way
I'm a sinner, I'm a sinner,
I?m a sinner, I like it that way
I'm a sinner, I'm a sinner,
I'm a sinner, I like it that way
You're a sinner, you're a sinner
You're a sinner, you like it that way
We're all sinners, we're all sinners
We're all sinners
I'm a sinner
I'm a sinner
I'm a sinner
And I like it that way
Hail Mary, full of grace (The Lord is with me)
Hail Mary, full of grace (Your love is with me)
Full of grace
