

Certainly (Flipped It)

Erykah Badu

Who gave you permission to rearrange me?
Certainly not me
Who told you that it was alright to love me?
Certainly, certainly not me I was not looking for no love affair
(And now you wanna fix me)
Was not looking for no love affair
(And now you want to mold me)
I was not looking for no love affair
(And now you wanna kiss me)
Was not looking for no love affair
(And now you wanna control me)
Hold me I know you're tryin' to get creative with my love
And that's alright but you tried to get a little tricky
Turned my back and then you slipped me a mickey Certainly, certainly, certainly not me
Certainly, certainly, certainly not me
Certainly, certainly, certainly not me
Certainly, certainly, certainly not me World is mine when I wake up
(When I wake up)
I don't need nobody tellin me the time Who told you that it was alright to love me?
Certainly not me, no way, no
Who gave you permission to rearrange me?
Certainly, certainly not me, well, no, no I was not looking for no love affair
(And now you wanna fix me)
Was not looking for no love affair, no
(And now you want to mold me)
I was not lookin' for no love affair, now, no, no
(And now you wanna kiss me)
I was not looking for no love affair, no
(And now you wanna control me)
Hold me You're baby, tryin' to get creative with my love
And that's real cute, but you tried to get a little tricky
Turned my back and then you slipped me a mickey Certainly, certainly, certainly not me
Certainly, certainly, certainly not me
Certainly, certainly, certainly not me
Certainly, certainly, certainly not me World is mine when I wake up
(When I wake up)
I don't need nobody tellin me the time (Certainly)
Certainly not me, no
(Certainly)

I was not looking, was not looking for no love affair
(Certainly)
Certainly not me, no, no, no way
(Certainly)
