

# Channel Zero

## Broken Note

Approximately fifty years ago  
Under the direction of President Harry Truman  
And in the interest of maximum security  
A group of twelve top military scientific personnel were established  
This group's primary objective  
Was to desensitize us to the truth  
And to suppress the material evidence that our planet is being visited  
By a group of extraterrestrial biological entities called The Grays  
Tune in to Channel Zero, tune in to Channel Zero  
Tune in to Channel Zero, tune in to Channel Zero  
Tune in to Channel Zero, tune in to Channel Zero  
Tune in to Channel Zero, tune in to Channel Zero  
Yo, sometimes the road to the truth is  
So elusive it's confusin' and reality becomes illusion  
If I showed the masses where we was at or where we was goin'  
I'd shatter the social balance of the world as we know it  
I'm talkin' 'bout the grand deception of nineteen forty-seven  
When our souls were sold to the heavens  
For technologically advanced weapons  
Crystal enhanced, brain implants and mind control methods  
MJ-12 is not majestic  
In the focal point of our promise on this planet is not domestic  
You can accept it or be stupid and be a skeptic  
Or fail to recognize the secret society's death wish  
Ninety-seven percent of our presidents were masons  
Responsible for launderin' trillions of dollars from the nation  
For the construction of underground military installations  
Abductions and coward mutilations  
Experiments on human patients  
Can take place in several subterranean bases  
A hundred and fifty stories below a basement  
With knowledge of genetic information  
You need to fear science not Satan  
'Cause through the manipulation of certain biological agents  
They create strange creations  
Top secret special operations, low frequency sounds and lasers  
People like Carl Sagan that didn't believe in the drake equation  
We're tryin' to keep western civilization on the need-to-know basis  
Well, you need to know that this is a game

And we being betrayed and played in the worst way  
Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero  
Tune in to Channel Zero, tune in to Channel Zero  
Tune in to Channel Zero, tune in to Channel Zero

Yo the Holy Scripts from Genesis 126 says  
Let us make man in our image under our likeness  
First of all who's they?

You see if God was truly a single entity that's not what He would say

We as the Elohim, gods and goddesses

Possess a marvelous remonsterous sub conscience

Lifeforms that speak in very high pitched sounds and squeaks

Shorts likhado clicks and beeps, a highly advanced form of speech

Even though to us it seems like they only chatterin' they teeth

They used to swim deep in the oceans beneath

Till they fins transformed into limbs and they started to creep

Then they evolved into mammals with feet

And walked right from the shorelines onto the beach

They used gravity, 'cuz this actually the only force around

They could slow time and the speed of light down

The energy grid network open the gateway from Earth

To any point in the universe

Livin' organisms and various

Geomagnetic gravitational, anomaly areas

Space expedition teams in the lunar regions

Reported seeing disopyramids and tetrahedrons

Liquid filled shoes is what they used

To walk across the moon without leavin' a clue

Of where they been for the past twenty-three billion years

Before life on the surface even appeared

I hope you become aware what I'm spittin' in ya ear

Was intended to stimulate your left brains hemisphere

I know it sounds weird

All these mothafuckin' answers to questions to the grand deception

Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero
