

There's No Other Way (Extended Version)

Blur

You're taking the fun out of everything
And making me run when I don't want to think
You're taking the fun out of everything
I don't want to think at all
There's no other way
All that you can do
Is watch them play
There's no other way
There's no other way
All that you can do
Is watch them play
You're taking the fun out of everything
You're making it clear when I don't want to think
You're taking me up when I don't want to go up anymore
I'm just watching it all
There's no other way
There's no other way
All that you can do
Is watch them play
I'll watch you play
I'll watch you play
There's no other way
There's no other way
All that you can do
Is watch them play
There's no other way
There's no other way
All that you can do
Is watch them play
There's no other way
There's no other way
All that you can do
Is watch them play
There's no other way
There's no other way
All that you can do
Is watch them play
There's no other way
There's no other way
All that you can do
Is watch them play
