

# Rock Before We Bleed

**Doro Pesch**

We all love  
We all breathe  
We all feel the risin' heat  
Times are changin' Our life goes on  
And we need to be strong  
Yeah we need to be strong  
[Chorus] We will rock  
Before we bleed  
We will rock to be free  
We will rock  
It
