

Man On The Edge

Iron Maiden

The freeway is jammed and it's backed up for miles

The car is an oven and baking is wild

Nothing is ever the way it should be

What we deserve we just don't get to seeA briefcase, a lunch and a man on the edge

Each step gets closer to losing his head

Is someone in heaven? Are they looking down?

Nothing is fair just you look aroundFalling down

Falling down

Falling downFalling down

Falling down

Falling downSick of waiting of lying like this

There's a hole in the sky for the angels to kiss

Branded a leper because you don't fit

In the land of the free you just live by your witsOnce he built missiles, a nation's defense

Now he can't even give birthday presents

Across the city he leaves in his wake

A glimpse of the future a cannibal stateFalling down

Falling down

Falling downFalling down

Falling down

Falling downThe freeway is jammed and it's backed up for miles

The car is an oven and baking is wild

Nothing is ever the way it should be

What we deserve we just don't get to seeA briefcase, a lunch and a man on the edge

Each step gets closer to losing his head

Is someone in heaven? Are they looking down?

Nothing is fair just you look aroundFalling down

Falling down

Falling down
