I Wanna Be With You

Fun Factory

Check it out, check it outI Wanna be with you
I wanna be with you baby, yeah baby
I wanna be with you,
I wanna be with you baby, yeah baby
I wanna be with you, uh huh
I wanna be with you, oh yeahI wanna be with you 'cause my love is true
There's so many things that I want to do
I wanna be with you every night and day
Oh baby, oh baby please stay, oh yeah
Boy I wanna be with you, can't you feel my love
Oh baby, singing shoo-be-doo-bee-doo
Yes my love is true, oh darling, oh yeahI wanna be with you 'cause my love is true
There's so many things that I want to do
I wanna be with you every night and day
Oh baby, oh baby please stay, oh yeah
Hit it hit it, get straight with it
'cause when we see me girl you know you make me go wicked
Back to the port and you know we keep moving
I wanna be with you 'cause my heart is still groovin.
If you wanna be with me, say come on let me know
Oh baby, whenever you needed me, my love will be right here,
Oh baby, oh yeah
