

# Snake Tongued Beast

## Saybia

Lose your mind  
Lose it twice  
Endless wind  
And lying eyes  
Reveal yourself  
And run your face against the wall  
I will not fail  
I will not silently give in Take a chance  
Take it twice  
Catch your dream  
Succeed in life  
Become a star  
And lose yourself in fantasies  
I will not fail  
I will not silently give in I will burn and I learn  
From the thorns in my eyes  
I'll rewind  
And I'll find  
My own way to the sky  
I will learn to get by  
But I'll never be like you Snake tongued beast  
With leech morals  
Selling dreams  
Where nightmares are lurking  
Collect and claim  
The art that never grew in you  
I will not fail  
I will not silently give in I will burn and I learn  
From the thorns in my eyes  
I'll rewind  
And I'll find  
My own way to the sky  
I will learn to get by  
But I'll never be like you I will burn  
I will learn  
From the thorns in my eyes  
I'll rewind  
And I'll find  
My own way to the sky

I will learn to get by  
But I'll never be like you I will burn  
I will learn  
I will learn  
I will learn  
I will learn to get by  
But I'll never be like
