That's the Way It's Gonna Be

Phil Ochs

If you say all the good times are gone
If you say this rain will keep rainin' on
I'll walk along with my head held high
I'll find a song and I'll sing it to the skyI may be wrong but I'll live 'til I die
That's the way it's gonna be
Wait and seeEven though you say hard times knock at my door
Though you say I'll never smile any more
I just imagine that I'm ten feet tall
Then if I try I can climb the highest wallIt doesn't matter if I slip down and fall
That's the way it's gonna be
Wait and seeEven though you say I've reached the end of my row
Though you say my times are all running low
It's been so long since I tried to frown
That 'Old Man Trouble' will never get me downIt's all that easy when you know where you're bound
That's the way it's gonna be
Wait and see, just you wait and seeEven though you say all the good times are gone
Though you say this rain will keep rainin' on
I'll walk along with my head held high
I'll find a song and I'll sing it to the skyI may be wrong but I'll live 'til I die
That's the way it's gonna be
Wait and see, just you wait and see
