

Only for You

Ronan Keating

Baby I've been thinking of you, gotta picture in my mind
They say that falling in love makes you blind
You opened up my eyes, brought our feelings deep inside
No one believes in me like you do No one can ever take your place
You're like food to my soul Only you can make me feel this way and I gotta say
When I'm feeling down you are there
And while you're holding me, you say
There's no sacrifice to be loving you, no no
And I feel it too, yes I do but only for you Baby there's a reason why we met, why we still are holding on
I never knew a love so strong
When I look into your eyes knowing my love will never die
Can't live without you by my side No one can ever take your place
You're like food to my soul, yes you are Only you can make me feel this way and I gotta say
When I'm feeling down you are there
And while you're holding me, you say
There's no sacrifice to be loving you, no no
And I feel it too, yes I do but only for you, oh oh No one can ever take your place
You're like food to my soul Only you can make me feel this way and I gotta say
When I'm feeling down you are there
And while you're holding me, you say
There's no sacrifice to be loving you, no no
And I feel it too, yes I do but only for you And I gotta say
When I'm feeling down you are there, you say
There's no sacrifice to be loving you, no no
And I feel it too, yes I do but only for you
